

BRUSHCUTTERS

Power, Comfort and Stability!

Power, comfort and stability are all at your disposal with ECHO's innovative line of professional-grade brushcutters. Offered in four engine displacements, ECHO has the right brushcutter for your clearing applications including rough grass, thickets, shrubs or dense undergrowth. All ECHO Brushcutters are backed by a 5-year consumer and 2-year commercial warranty.

ECHO Brushcutter Features and Benefits

- A** Tool-less air filter cover for easy access
- B** Commercial-grade felt air filtration for long engine life
- C** 2-stage air filter for improved filtration and long engine life
- D** i-30™ starting system for reduced effort starting
- E** Digital ignition system for easier starting
- F** Purge bulb for easier starting
- G** Lined clutch for smooth engagement and less slippage
- H** Ergonomic U-handle with rubber over-mold for comfort and handling
- I** Debris shield with integrated cut-off knife for optimal line length
- J** Engine vibration-reduction system for operator comfort
- K** Extra, heavy-duty vibration-reduction system for operator comfort
- L** Shoulder harness included for comfort and convenience
- M** Metal shield included for blade use (blade not included)

80-Tooth Brush Blade comes in 3 sizes, 7", 8" or 10". Great for cutting large weeds, reeds, bushes & heavy grass. Available separately.
